April 10, 2020, Motion of the Executive Committee
Regarding Quincy's Request to Accelerate LWSAP Borrowing:

To approve early borrowing of a portion of their fund from the Local Water System Assistance Program (LWSAP) for FY20 funding of \$1,425,200, along with the last two years (years 9 and 10) of funding of 2 x \$1,425,200, for a total May 2020 distribution request of \$4,275,600.

This motion would require a vote to waive the program guidelines regarding an annual distribution limit.
